- Registration by young scientists– xxx EUR (regardless of date)
- Registration by students - free

**REGISTRATION WITH PAYMENT VIA CONFTOOL – SMART-SECURE-EASY COMING SOON- Link available via this page**

Transport & Accommodation:

*How to fly to Germany?* The easiest option is to fly to Frankfurt/Main, but Munich and Stuttgart are possible as well.

*How to get to Ulm?* Use the Deutsche Bahn (train) to Ulm. The most convenient way is from Frankfurt International Airport via train because the train station is right inside the airport and you can catch a direct train. From Munich Airport you will have to take the S-Bahn (S1 or S8) to the city center (which will take about 45 min) and then take a train to Ulm. Stuttgart you can take the subway U6 (30 min) to the main train station and then catch a train to Ulm.

The train tickets can be purchased online or at the train station. The earlier you book the cheaper prices are.

[https://www.bahn.com/en](https://www.bahn.com/en)
The S- and subway tickets can be purchased at vending machines at the stations.

There are many **hotels** and **pensions** in Ulm. We recommend booking early, as there are events taking place in Ulm. You can find hotels in all price categories and since our venue is in the city you have many options, that are even within walking distance.

- Hotel Safranberg (200m) - Centro Hotel Stern (18 min by bus)
- Hotel Lago (9 minutes on foot) - Boutique Hotel 11 (20 minutes walking)
- Me & Me Hotel (near train station, 20min by bus) - B&B Hotel (20 minutes by bus)
- Ibis Ulm City/Ibis Budget (18 min tram) - Downtown Apartments Ulm (18 min walk)
- Maritim Hotel (next to the river, 1,6km walk or 18 min by bus). Airbnb is also an option.

**Scientific Committee:** Cornelia Herbert (Germany, Ulm University), Judith Kroll (USA, University of California), Michał Daszkiewicz (Poland, University of Gdańsk), Jens Haugan (Norway, Inland Norway University of Applied Sciences), Joanna Dołżycka (Germany, Ulm University)

**Organising Committee:** Department of Applied Emotion and Motivation Psychology, Faculty of Engineering, Computer Science and Psychology, Ulm University (contact person: Cornelia Herbert), Educational Role of Language Network – educationalroleoflanguage@gmail.com
