1-day attendance by seniors – **50 EUR**

1-day attendance by young investigators – **25 EUR**

**REGISTRATION VIA CONFTOOL:**

<https://www.conftool.com/erl2023-ulm/>

**Transport & Accommodation:**

*How to fly to Germany?* The easiest option is to fly to Frankfurt/Main, but Munich and Stuttgart are possible as well.

*How to get to Ulm?* Use the Deutsche Bahn (train) to Ulm. The most convenient way is from Frankfurt International Airport via train because the train station is right inside the airport and you can catch a direct train. From Munich Airport you will have to take the S-Bahn (S1 or S8) to the city center (which will take about 45 min) and then take a train to Ulm. Stuttgart you can take the subway U6 (30 min) to the main train station and then catch a train to Ulm.

The train tickets can be purchased online or at the train station. The earlier you book the cheaper prices are.

<https://www.bahn.com/en>

The S- and subway tickets can be purchased at vending machines at the stations.

There are many **hotels** and **pensions** in Ulm. We recommend booking early, as there are events taking place in Ulm. You can find hotels in all price categories and since our venue is in the city you have many options, that are even within walking distance.

- Hotel Safranberg (200m)
- Hotel Lago (9 minutes on foot)
- Me & Me Hotel (near train station, 20min by bus)
- Ibis Ulm City/Ibis Budget (18 min tram)
- Maritim Hotel (next to the river, 1,6km walk or 18 min by bus). Airbnb is also an option.
- Centro Hotel Stern (18 min by bus)
- Boutique Hotel 11 (20 minutes walking)
- B&B Hotel (20 minutes by bus)
- Downtown Apartments Ulm (18 min walk)

**Scientific Committee:** Cornelia Herbert (Germany, Ulm University), Michał Daszkiewicz (Poland, University of Gdańsk), Jens Haugan (Norway, Inland Norway University of Applied Sciences), Joanna Dołycka (Germany, Ulm University)
